

## Cornwall Council

### Section 14(1) of the Road Traffic Regulation Act 1984 (RTRA 1984)

#### Temporary Prohibition of Traffic (Schedule No. 13) Order 2018

Notice is hereby given that Cornwall Council has made the above order dated 26<sup>th</sup> March 2018 in exercise of its powers under section 14(1) of the RTRA 1984 to prohibit the use by traffic over an area of highway as defined in the below schedule.

The Order shall come into operation on 9<sup>th</sup> April 2018 and shall remain in force for eighteen months with the expectation that works are anticipated to be complete by the 30<sup>th</sup> September 2018.

The prohibition will be in force 24 hours a day weekends included

The restrictions imposed by this order shall remain in force on such days and during such times as the appropriate traffic signs are displayed. In this order "traffic sign" means a sign of any size, colour and type described or authorised under or having effect as though prescribed or authorised under section 64 of The Road Traffic Regulation Act 1984.

The Council is satisfied that the order is needed because works are being executed on or near the road to carry out surface dressing

While the Order is in operation traffic, including bicycle movement, along the highway specified in paragraph 1, will be temporarily restricted. No personnel, except upon the direction of a police constable in uniform, cause or permit any vehicle or pedal cycle to enter on, proceed or wait in the length of highway described above.

It is anticipated that all roads will be closed for a maximum of 7 days within the road closure notice period; the closure may be on consecutive days or on separate days depending upon site, weather conditions and works required.

Advanced Warning signs will be placed on site at least 7 days before the planned commencement of the works.
